

Hearts on the Line

by Alison Reid

She's loved him for years.

One night changes everything...

And by morning, he doesn't remember.

Julia Davis has spent five years hiding her feelings for her brother's best friend—the one man she could never have. Daniel Moore is everything she's ever wanted: powerful, controlled, and completely off-limits.

Until the night he finally gives in.

One stolen moment.

One unforgettable night.

One mistake he wakes up believing never happened.

But Julia remembers everything.

And when Daniel looks at her like nothing has changed, something inside her breaks. Determined to protect her heart, she turns to the one man who offers her something Daniel never could—certainty.

James Giles is charming, attentive, and ready to give her the future she deserves. He wants her. Chooses her. And he's not afraid to show it.

But Daniel isn't as unaffected as he pretends.

Because the more Julia pulls away, the more he starts to feel it—the jealousy, the regret... and the undeniable truth he's been running from all along.

And when secrets surface—ones that will change everything—Julia is forced to choose:

The man who forgot her... or the man who refuses to let her go.
