

The Billionaire's Bargain

by Alison Reid

She lives by rules. He rewrites them.

Willow Taylor has spent her life choosing safe.

Safe job. Safe boyfriend. Safe future.

Then one desperate phone call changes everything.

Her estranged half-sister has been arrested in Rome for stealing from billionaire tycoon Luca Lombardi—and Willow flies across the world determined to save her before her life is destroyed.

She expects lawyers.

She expects negotiations.

She does not expect Luca Lombardi.

Powerful. Ruthless. Devastatingly handsome.

The kind of man who can ruin lives with a single signature.

From the moment Willow steps into his world of luxury yachts, private terraces, and dangerous temptation, the attraction between them burns hotter than either of them expects. Luca is cold, controlled, and utterly forbidden... yet behind his dark eyes is a hunger that makes Willow feel seen for the very first time in her life.

And Luca cannot stop thinking about the quiet American woman who refuses to fear him.

But when a reckless bargain binds them together for seven days, desire quickly becomes dangerous. Because the closer Willow gets to Luca, the more secrets she uncovers—and falling for a billionaire like him could cost her everything.

Including her heart.
