

The Billionaire's Lost Daughter

by Alison Reid

He thought she had betrayed him.

So, he destroyed the only woman he ever loved.

When Australian tourist Mackenzie Walker arrives in New York for the trip of a lifetime, the last thing she expects is billionaire Hunter Knight. Powerful, guarded, and devastatingly handsome, Hunter quickly becomes the centre of her world. Their connection is instant. Intense. Irresistible.

Within weeks, Mackenzie is living in his Manhattan penthouse and falling hopelessly in love.

Then Hunter's brother returns to the city.

After Mackenzie rejects his advances, a single vicious lie shatters everything.

Without giving her a chance to explain, Hunter throws her out of his life—convinced she betrayed him with the one person he trusted most.

Heartbroken and alone, Mackenzie returns to Australia carrying a secret she never got the chance to tell him.

His child.

Nearly a year later, Hunter receives a call that changes everything.

Mackenzie has been hit by a car and left in a coma.

Now Hunter is flying halfway across the world to meet the little girl with his eyes... and uncover the devastating truth about the woman he never stopped loving. Because Mackenzie never betrayed him at all.

And when Hunter finally learns what his brother did, he realises too late that the greatest mistake of his life may have cost him the only family he ever wanted.
