

The Billionaire's Runaway Nanny

by Alison Reid

He swore he'd never trust another woman again.

She's hiding a marriage that could destroy everything between them.

Billionaire Charles Wolfe has spent months buried in grief, betrayal, and responsibility after his wife's tragic death left him alone with two young children and a shattered heart. Behind the headlines mourning New York's golden couple lies a devastating truth no one knows—his marriage was built on lies, and the woman he trusted destroyed his faith in love forever.

Desperate to bring stability back into his children's lives, Charles hires a new live-in nanny.

Quietly beautiful and fiercely compassionate, Zara Quinn arrives from Sydney carrying scars of her own. After surviving a violent marriage that nearly cost her life, New York is meant to be her fresh start—a place to hide, heal, and disappear before her husband is released from prison.

The last thing she expects is Charles.

Despite the walls between them, Zara quickly becomes the heart of Charles's home. His little boy clings to her with desperate trust, his infant daughter blossoms beneath her care, and for the first time since his wife's death, Charles begins to feel something dangerously close to hope.

But Zara is keeping a secret.

Because she isn't free.

And when her husband appears without warning, exposing the truth Charles believes she's hidden from him, the fragile trust between them shatters overnight.

Then Zara disappears.

Now Charles will do anything to find the woman he's fallen in love with—even if it means confronting the darkness of her past, the ghosts of his own, and the terrifying realisation that losing her would destroy him completely.
