

Beneath the Lies

by Alison Reid

*She came home to say goodbye...
not to face the man who broke her.*

Lily Hart swore she would never return to Willow Creek—the town that destroyed her life and the man she once loved with everything she had.

But when her father is dying, she has no choice.
She comes back with her daughter... and a past buried in lies.

Because three years ago, everything fell apart.

The night Dr. Nathaniel Cahill accused her of betrayal...
The night he chose to believe the worst instead of her.

He thinks the child is proof she cheated.
She knows the truth would change everything.

Now they're forced into the same small town—close enough to see the pain in each other's eyes... and the love that never truly died.

But secrets don't stay buried in Willow Creek.

And when the truth finally comes out... it won't just heal old wounds.

It will shatter everything they thought they knew.
