

Love After Regret

A Second-Chance Redemption Romance Collection

***Love After Regret** is an emotionally rich romance collection filled with longing, heartbreak, and powerful second chances, where love is tested by time and only true remorse—and real change—can lead to happily ever after.*

***A Heart in Florence** – She came to Florence with nothing but grief. She never expected to leave with everything.* After losing her mother in a tragic accident, Isabella Moretti is sent to Italy to live with the father she barely knows—a chauffeur to one of the country’s most powerful families. Alone in a foreign world of wealth, beauty, and quiet expectations, she feels like she doesn’t belong. Until she meets him. Lorenzo Caravelli is heir to a vast Tuscan empire—and a legacy built on control, power, and cold ambition. Love has never had a place in his world... until a quiet, grieving girl with a sketchbook begins to change everything. In sun-drenched gardens and hidden vineyard paths, their connection deepens—soft, forbidden, and impossible to ignore. But their worlds were never meant to collide. She is the chauffeur’s daughter. He is destined for a future she could never be part of. And when reality intrudes—with expectations, rivals, and a family determined to control his fate—Isabella must decide if she’s strong enough to fight for a love that could shatter them both. Because some hearts aren’t meant to stay safe. Some hearts are meant to risk everything.

***Second Glance** – He never saw her... until she became impossible to ignore.* Five years ago, Jackson Roberts dismissed his sister’s shy best friend as nothing more than plain. Forgettable. Unattractive. Invisible. And Jessica Watson heard every word. Heartbroken and humiliated, she left Sydney—and him—behind. Now she’s back. Confident. Successful. Stunning. A civil

engineer with a sharp mind, a guarded heart... and absolutely no interest in the man who once shattered her self-worth. But Jackson isn't the same man either. The moment he sees her again, everything changes. The girl he overlooked is gone. The woman in front of him? Untouchable. Unforgettable. Completely out of reach. And suddenly, he can't look away. As forced proximity, family ties, and one dangerously charming rival push them closer together, Jackson is determined to prove he's changed. But Jessica remembers exactly who he used to be. And this time... she's the one holding all the power.

Still Yours – *She loved him first. He betrayed her worst.* Kiera Scott hasn't set foot in Wickham Hall in years—not since the night her world shattered. Not since she learned the truth about the man she trusted most. Andrew Foster was her protector. Her constant. The man she once believed would always be on her side. Until she discovered his devastating secret. Now, forced back under the same roof, Kiera must face the past she tried to bury—and the man who still has the power to unravel her with a single look. Because Andrew hasn't forgotten her. Not the girl she was. Not the woman she's become. And definitely not the way she walked away. But the truth between them was never simple... and never what it seemed. Old wounds ignite. Buried desire resurfaces. And the line between hatred and longing begins to blur. Because the man she swore to hate... might still be the one who owns her heart. And this time—walking away may cost her everything.
