

Silent Witness

by Alison Reid

Phoebe Winslow has everything money can buy.

A fortune worth hundreds of millions. A beautiful home. A successful husband. And a grandfather who has spent his life protecting her. From the outside, her marriage to Daniel Sterling is perfect. But behind closed doors, something has changed.

Daniel is desperate for access to Phoebe's fortune. His investments are failing, his debts are mounting, and every safeguard protecting her inheritance stands between him and the money he believes should be his.

Then Phoebe discovers something that could destroy the life she thought she knew. And suddenly, she is fighting for more than her marriage. She is fighting for her life.

Spencer Matthews has loved Phoebe for years. He loved her when she was too young to understand what he felt. He loved her when he was trapped in a marriage of his own. And when Phoebe once kissed him and told him she would never be the reason his marriage ended, he walked away. He never stopped loving her.

Now Phoebe is unconscious in a hospital bed, unable to speak or move, while the people closest to her hide the truth. But Spencer refuses to believe she is gone. He watches. He listens. He searches for answers.

And when the evidence begins to point toward betrayal, Spencer will risk everything to uncover who is responsible.

Because someone wants Phoebe silent.

Someone wants her fortune.

And someone will do whatever it takes to make sure she never gets the chance to tell the truth.

But secrets have a way of surfacing.

And the man who has loved Phoebe in silence for years is finally ready to fight for her. Even if saving her means exposing everyone who ever betrayed her.

Silent Witness is a gripping romantic suspense filled with forbidden love, betrayal, family secrets, a protective hero, a dangerous marriage, and a hard-won happily-ever-after.
